Club Clean Up Day!

Several members showed up to lend a helping hand for our annual clean up day on Saturday, March 3. The highlights of the day were picking up brush, trash and debris, cutting down bushes and small trees and raking tons of leaves. Chef Jim Fuller fixed his famous vegetable chowder complete with pimento cheese and chicken salad sandwiches. We sincerely appreciate everyone's help and hope to have continued help in future projects!

Message From Mike Lenox, Grounds Superintendent

Now that the fairways are dormant, please try not to drive all over them. Use the rough and the 90 degree rule. Please move your ball out of bare spots, no penalty. Please keep carts at least 30 ft. from any green. Please use the sand available on the carts and at the tee boxes to fill divots. Otherwise, you know the drill: sand divots in the fairways, repair ball marks on the greens and leave rakes IN the sand traps. Thank you.
