

### *Full Membership*

Our Full Membership offers a wide variety of benefits to the Cynthiana family. Take advantage of our plush 9-hole golf course featuring rolling hills, natural wooded areas and beautiful scenic homes. Also available is an Olympic-size pool accompanied by a baby pool (1.5 ft. deep). With life guards on duty, you and your family can enjoy Central Kentucky's beautiful summers by the pool! (The only pool in the community I might add.) While enjoying either the golf course or the pool, grab lunch in our 19<sup>th</sup> hole grille. If you are not golfing or swimming, enjoy a sporting event on our two 65-inch flat screens mounted in the Lounge.

#### *Senior Membership* *(65 & older)*

As a senior in our community, enjoy the same advantages of the full membership at a discounted price!

#### *Single Membership*

"Just a single?" No problem! We would love to offer you a discount, AND let you take advantage of the same great facilities as the full membership!

#### *Junior Membership*

If you are under 30 years old, we have the perfect option for you. Like our other "age related" discounts, use the full facility for a lower price!

### *Limited Membership*

Our limited Membership is a great option for the non-golfers of Cynthiana. We can offer your family an Olympic-size pool accompanied by a baby pool (1.5 ft. deep) with life guards on duty. Also available for our limited members is our full dining service. Whether that is lunch in the grille or one of our many Dinner Events, YOU'RE INVITED!

#### *Social Membership*

Play in a card league? Enjoy fun, weekend, social events? Want a private place to enjoy lunch once in a while? We have the answer! This membership is cheaper than ever and a perfect fit for you and your group!

#### *Youth Membership*

This is one of our two newest membership offerings. Designed for Middle and High school students, this is a great way to have privileges at this great facility without the high cost of full membership.

#### *Junior Legacy Membership*

This new offering is perfect for adding an elementary age child to your current membership. The child must always be with the member, but it is a great way to get young people involved that otherwise may not have had the opportunity.
