- **Two Riders Per Cart** as much as possible, but especially on Thursday (Men's League) and weekends. We realize we've all gotten spoiled by having 1 per cart and playing faster, but we simply cannot keep up with the demand. If you're not of the same household or if both riders have not been vaccinated, then consider wearing masks while riding.
- **Tee-Times** are still a must regardless of the day or time. It helps us manage our man-hours and enables us ample time for cart sanitization.
- **Guest Policy** - Members are permitted to bring guests who reside in Harrison County to the club a maximum of 3 times per year. The member is responsible for ensuring the applicable guest fees are paid.
- **Pro-Shop** – reminder of these payment options that we have available.
  - Venmo is available. @Cynthiana-CountryClub
  - Cart Cards. These are sold in 10 Round increments for \$170 and includes tax. You just present the card, get it punched and you're on your way.
  - Meal Cards are available for purchase as well and eliminate handling cash.

As always, our main goal is the safety of our Employees, Members, Guests and their Families. Thank you for your continued support and cooperative spirit.
