GOLF UPDATES – DECEMBER 2020

Golf Updates December 2020 Newsletter

**Make sure we have your email address on file with your GHIN Account.**

- **From GHIN - Email address required beginning in early January 2021**
 - To improve data security and privacy, we will be updating how golfers access the GHIN Mobile App and ghin.com in early January 2021. At that time, you will be asked to create a login by verifying your email address and setting a password before accessing the products. To avoid any disruptions, please ensure you have a valid, unique email address in your GHIN profile. **Please contact your Club or local Association to provide an email address or confirm your email address on file.**
- **Rounds Posted**
 - Great job of entering your scores this year. While our cart rental has been up slightly, our scores posted has been up an incredible 71%. This is important as we Handicap most of our Tournaments and Competitions. Posting all of your scores accurately is the best thing each of us can do to help promote balance and fairness in those events.

• **Rounds Posted: January 1- November 30**

	<u>2019</u>	<u>2020</u>	<u>% Increase</u>
○ Red/Yellow (Female)	440	794	80.5%
○ Red/Yellow (Male)	76	79	4.0%
○ Gold/Black (Male)	660	1456	120.6%
○ White/Blue (Male)	1411	2102	32.9%
○ Total	2587	4431	71/3%

- **Santa Shootout?**
 - If you recall, last year we got a great break in the weather during the week of Christmas. If we catch a day like that again we'll have the event. It will be just like the recent "Teed off Turkey" event with 2-person Teams and proceeds benefitting the local food pantry. So don't put the clubs away just yet.

MGA HANDICAP INDEX

MGA HANDICAP INDEX (Top 80)
